

WE'RE SO HAPPY YOU'RE OUR CLIENT

I would like to take this opportunity to thank you for choosing The Villages Insurance Partners. We know how important it is to make the right decisions regarding your insurance portfolio and are honored that you have put your trust in our agency. We are thrilled to have you with us!

Throughout our many years of business in this community, we have thoroughly enjoyed building relationships with our clients and their families. We have witnessed weddings, grand-babies, new homes, new toys and much more. Getting to know you not only brings us joy, but also allows us to deliver tailored insurance specifically designed for your needs. We want you to continue enjoying all that life has to offer, knowing that we have your back. Our commitment does not stop with one policy; our diverse team of colleagues, specializing in many areas of insurance, work together to ensure your insurance needs are met with a complete 360° approach.

Our **Personal Lines** team assists with your home, auto, golf car, jewelry, fine arts, and personal umbrella needs. Consisting of Risk Consultants, Client Services personnel, and a Concierge team, all collaborating to keep your policies up to date and assist with your daily changes.

The **Financial Services Group** takes a deep dive into your asset protection and the legacy you want to leave behind for loved ones. Specializing in Life Insurance, Annuities, Long Term Care and Pre-Need Planning; our Financial Risk Consultants will quickly become one of your closest friends and trusted confidants.

Do you own a business? Our **Commercial Risk Management** team's approach to insurance wellness will impress you. Every business is as unique as its business owner, which is why our Commercial Advisors put together comprehensive plans catered to individual businesses, their owners, employees, and family needs.

As an independent firm, we work for you, not the insurance companies. The ability to provide you with choices is priority and it is what sets us apart from the other insurance companies. To structure your coverage, we take advantage of our access to a multitude of insurance carriers, coverages, cost and more. As your life evolves, we will find coverage to best suit your needs and give you the best options for your budget and situation. We look forward to hearing about all the exciting happenings in your life.

Our clients are the most important part of our business and we will work tirelessly to ensure your complete satisfaction. Again, thank you for trusting us with your insurance needs!
